**Precepts - Please comment on the quality of the precepts. How did they contribute to your learning in the course? To what extent did the preceptor raise challenging questions, help clarify course material, and encourage broad student participation? Was the preceptor responsive to students' questions, opinions, and criticism?**

Comments
Tanika has been a great preceptor. She's very knowledgeable about the material, and helps us in any way she can.
Tanika was always well-prepared and organized, and was just generally very kind.
Tanika was really helpful throughout the course. She did a good job of making sure we understood the key ideas each week, and always found ways to tie lecture material to ongoing news.
Precepts were the best part of this course.
Tanika quickly became one of my favorite preceptors – she was great at leading discussions and also at giving insightful summaries on our readings.

Tanika was great. She always had a plan for precept, which kept the class moving. She did an excellent job distilling the more technical readings for us too. She was also very open to meeting with us to discuss papers. Keep up the good work!

Best precept ever. So organized, helpful, and productive. Tanika is very approachable and really wanted us to learn the material.

Tanika was an exceptionally helpful preceptor. She was engaging, insightful, and knew the material extremely well.

Tanika was awesome

I learned almost everything about the course from my precept. Tanika really focused on explaining the material and did a great job with content that wasn't framed in a very interesting manner.

AMAZING!! ONE OF THE BEST PRECEPTORS I HAVE EVER HAD!!! ALWAYS MADE SURE YOU UNDERSTOOD MATERIAL!!

AMAZING preceptor. So helpful and good at breaking down material and fostering discussion.

Tanika was the most helpful preceptor I've ever had over my four years here. She truly cared about all of us and would go the extra mile to make sure we were prepared and engaged in class.

Amazing
